Program Information

- \$2700 List is a savings of over \$1180 dollars over standard list, or over 30%..
- No termination date.
- The 1769-STRT3 (list \$2700) replaces the 1769-STRT2 (list \$1900) starter kit. 1769-STRT3 extra price comes from replacing the 1769-L20 with the more advanced 1769-L31 controller and replacing RSLogix 5000 Mini with RSLogix 5000 Lite, which includes all programming languages.
- The 1769-STRT2 kit is no longer available. .
